

## KARRATHA DEPOT - PRECAST CONCRETE

The Killarnee Depot in Karratha precasts concrete in any shape and size. We have over 13,000 sqm of space set aside for precast concrete works, this has enabled us to precast concrete for the following locations/projects:

- Woodside Train V
- Woodside Pluto Site A & B
- Cape Preston
- Yandi
- Cape Lambert
- Port Hedland
- Barrow Island

We also have several multi skilled Karratha based teams who perform concrete & civil works in Karratha and the surrounding Pilbara areas.

Our North West Manager is Greg (Hacka) King - 0437 158 610
