

\$150M FOR 2010

Killarnee Civil & Concrete Contracting are aiming for a turnover of over \$150M for 2010.

This will be achieved by maintaining current projects in the North West shelf of Western Australia, as well as securing new contracts throughout the state.

As Killarnee Civil & Concrete Contracting is now a Quality Assured Company, which sets a national standard for Quality, Safety, and Environmental Policies, all of which Killarnee Civil & Concrete Contracting are dedicated to achieving.
